Executive Order No. 12353 authorizes the U.S. Office of Personnel Management to conduct fund raising activities and to establish procedures for collecting information related to such activities.

Executive Order 9397 (November 22, 1943) authorizes the use of the Social Security Number (SSN). This collected information will be disclosed to organizations maintaining the accounting of contributions and to your payroll office.

Additional disclosure may be made to the Department of Treasury to make proper financial adjustments to a court or another agency when the government is party to a suit; and to the Internal Revenue Service and state and local taxing authorities regarding income tax returns.

The furnishing of the SSN, along with other data requested, is voluntary. However, failure to furnish any of the requested information may result in errors or noncompliance with your request for a payroll deduction by your agency.

If you are making a one-time, lump-sum gift and, therefore, not using the payroll deduction method of payment, you are not required to furnish your SSN.
