

TRY TRINITY

a tuition reduction program for first-year families

Try Trinity offers students of first-year families who enroll at Trinity for the 2018–19 academic year up to a **50% reduction** in tuition per child (up to two children per family). We offer such a significant discount because we believe that if you try Trinity, you will experience the difference Trinity can make in your child's life.

Students eligible for Try Trinity tuition reduction must be first-time families at Trinity Christian School for the 2018–19 academic year. Families must apply through the FACTS program in order for students to be eligible for Try Trinity. Following the completion of the Try Trinity program, families are welcome to apply for regular student tuition assistance.

For all of our students age 3 through grade 12 at Trinity Christian School, it is our mission to *glorify God through honoring Christ, inspiring excellence, and educating for life*. Each of our teachers is a professing follower of Christ and formally educated in the field in which they teach. At Trinity, it is our privilege to be a part of your child's spiritual, academic, social, and athletic development.
