

4th Grade Summer Work
2019
Jenny Cunningham - 4th Grade Teacher

Reading -

Please review the link for Barnes and Noble Summer Reading:

<https://www.barnesandnoble.com/blog/kids/get-ready-for-bns-summer-reading-triathlon/>

*Complete reading eight books and complete the reading log that goes along with it (printed from the link above).

*Once the books have been completed, you can return this list in to Barnes and Noble for a free book

Writing -

*Please keep a weekly journal. I am asking for one entry a week that shares something that took place over this time. Include a several sentences and an illustration. This can be done on your choice of paper and will be turned in the first week of school.

Math -

*Multiplication fact practice

*Please practice basic multiplication fact practice for a minimum of 10 minutes a day.

**Ways to practice facts:*

-Flash cards

-Oral practice

-Written practice

- <https://www.multiplication.com/pins/multiplication-fluency>

- https://www.abcya.com/games/math_facts_game

-App - Math Facts Lite (free and it can be customized)
