

Third Grade Summer Assignments

Reading

Book in a Bag Project

- Read a chapter book of your choice.
- Write a summary of that book.
- Decorate the front of a brown paper bag (grocery bag size) with a scene from the book. Be sure to include the author. This should be hand-made(no printing picture online).
- Attach your summary to the back of the bag.
- Place five items in the bag that represent something from the book.
- Bring it to school on the first day and be prepared to present to your class.

Math

- Practice fact fluency (addition, subtraction, and beginning multiplication)
- Visit math websites
 - iReady Math
 - Math playground.com
 - Abcya.com

Have a great summer!
