

TRINITY CHRISTIAN SCHOOL

Corporate Sponsorship Opportunities

Why Support Us?

***Your Corporate Sponsorship
directly supports students
in the classroom.***

Unlike public or church-affiliated schools, all of our programs and operations at Trinity Christian School are made possible through tuition, grants, and donations. About 75% of the cost to educate one student is covered by tuition, and the other 25% is funded by grants and donations.

We can continue to provide a comprehensive Christian education to students in the tri-state area because of committed Corporate Sponsors like you.

Sponsorship Levels

Thank you for considering support of Trinity Christian School students through Corporate Sponsorship.

If you would like to become a Corporate Sponsor, please complete the included Sponsor Agreement forms and return to Trinity Christian School, attn. Director of School Advancement. Sponsors are encouraged to make a decision by August 1, so our staff has ample time to process sponsorships before the start of the new school year. All annual sponsorship agreements begin August 1 and may be renewed on or before July 31. Trinity Christian School reserves the right to deny any business a sponsorship opportunity that the administration deems incongruent with the school's mission and values.
