Facebook Fundraiser
Tutorial Video

Set up a Facebook Fundraiser page by watching this tutorial video (scan the QR code) and following these simple steps:

1. Go to www.facebook.com/fund/tcswv/
2. Start with the basics. Remember that our goal as a school is for each student to gather a minimum of eight sponsors at \$10 each, or \$80 total in sponsorships, so that Trinity can meet its school-wide goal of \$25,000!
3. Choose a Fundraiser End Date of March 18 or 19 at the latest. (Note: **Sponsor forms are due on Monday, March 20 at 8 a.m.**, so ending your child's Facebook fundraiser on March 18 or 19 will still allow your child to turn his or her sponsor form by the due date. *However*, you may want to end your fundraiser a few days earlier to ensure you submit your Sponsor Form in time!)
4. Create a title for your fundraiser such as, "Piper's Hoop-A-Thon Fundraiser."
5. Why are you raising money? Personalize the fundraiser page from your child's point of view and get his or her input! Here is an idea to get you started: "Sponsor me in my school's annual Hoop-A-Thon! I will have fun shooting baskets (or hula-hooping) with my classmates, and your donation will benefit Trinity Christian School! Thank you for supporting my school and helping me have a fun day!"
6. Choose your own photo so family and friends will know who they are supporting. To do this, scroll to the bottom of the Details section, and upload your own Cover Photo.
7. Create! Your family's personal Hoop-A-Thon page is up and running! Be sure to share this page with all of your friends and family. **When a donation is made, write it down on your sponsorship form and write "FB" in the "Paid?" column.**
