

M-S Summer Reading 2023

Trinity Christian School

Summer reading is critical, not only for maintaining learning while school is out, but also for fostering social and emotional development while discovering the joy of stories. The goal this year is to make reading fun and to encourage the reading of all genres.

With this in mind, I am asking the middle school students to document everything that they read on the attached form and have their parents sign off at the bottom and return to school the first day. Reading consists of Scripture, books, comic books, graphic novels, magazines, newspapers, etc. with a goal of 500 pages total!

When you have completed your summer reading goal of 500+ pages, you will type a 1 page document response sharing your reading experience. Include the exciting moments, the frustrations, the favorite genres and styles, the least favorite genres and styles, plots, characters, observations, etc. This response is about your total reading experience so you may write in first person and share from the heart! Make sure to include your name, grade, and "Summer Reading Response" title in the heading of your typed response.

Please remember to bring your completed reading form (signed by a parent) and typed response to ELA class the first day of school!

If you have any questions or concerns, please email me at lmccoy@tcsww.org or call at 724-557-4441.

Trinity Christian School Summer Reading Form

| Selection Title | Author | Reading Format | Pages Read |
